MEMORANDUM FOR: Acting Chief, Physical Security Division

SUBJECT : Operations Branch Significant Accomplishments for FY 1969

25X1

3. The Violations Control Officer has instituted an on-going program in the Headquarters area designed to educate employees in good office security practices. The object is to reduce the number of violations and to train those individuals destined for overseas assignments in good security habits. A reduction in the number of security violations has already been achieved.

4. A detailed study of the Office of Finance money transfer techniques resulted in changes which increased the security of the operation and drastically reduced the number of escorted transfer runs necessary.
